About Company

SAEE E KAMIL PVT LTD is growing garments manufacturing company based in Lahore Pakistan. The company started its formal operations in Oct 2020 with one unit of knitwear at that time we were engaged in knitwear products like uniforms, sports kits track suits etc. In May 2021 the company decided to have another unit for stitching of Denim pants, and from then on, the company is making Denim products which includes Denim Pants, Trousers and Jackets. The Company is also going to start its own brand with the name of "7TH STREET", which will be launched soon inshAllah.
