

Worldwide Technologies

We “Worldwide Technologies” are engaged in import, export & distribution of Security, Safety & Surveillance Products and many other hi-tech gadgets. You may send us your specific requirements via email to get their quotes.

About Us

Our group of companies had started its business in **1993** with Head Quarters in **Dehradun, Uttarakhand**, India and over the last 23 years the group has grown from strength to strength across India and abroad.

We are exclusive **trader, importer and exporter** of many innovative hi-tech products covering following streams:

- Security, Safety & Surveillance Products
- Proprietary Technology Products
- Concept Products
- Healthcare Products
- Innovative Information Technology Products
- Police & Military Products
- Night Vision & Thermal Imaging Systems
- Optical Technologies

We are currently associated with various overseas manufacturers for their innovative technological products and with various business partners for promotion of the products. We would like to have more such associations in the future. We are committed to the future and are engaged in providing a wide range of advanced products through more flexible and adoptable policies.
