WANREY Pre-filled Glass Syringe

China Pharmaceutical Packing Leader

www.wanrey.com

WANREY, MAKE LIFE BETTER.

Qingdao Wanrey Medical Supplies Co., Ltd is a leading manufacturer of pre-filled glass syringe in China. We built the first and most advanced production line of glass syringe in Asia. WANREY glass syringe is an excellent pharmaceutical packing material, which is widely used in the fields of vaccine, biological, hyaluronic, interferon, concentrate, oil and other injection solutions. WANREY is equipped with the most advanced forming machine, automatic needle assembling machine and washing-siliconizing machine, which are imported from Germany.

With the company culture of 'Customer Priority, Quality First', WANREY will keep smile all the time to provide the warmest service. WANREY will keep studying the advanced technology to improve quality continually.

CUSTOMER PRIORITY
QUALITY FIRST

PRE-FILLED GLASS SYRINGE

1.0ML Luer Lock
(WR-MC004)

1.0ML Luer Slip
(WR-MC005)

1.0ML Luer Lock Long
(WR-MC006)
