INTRODUCTION

PART 1

ABOUT US

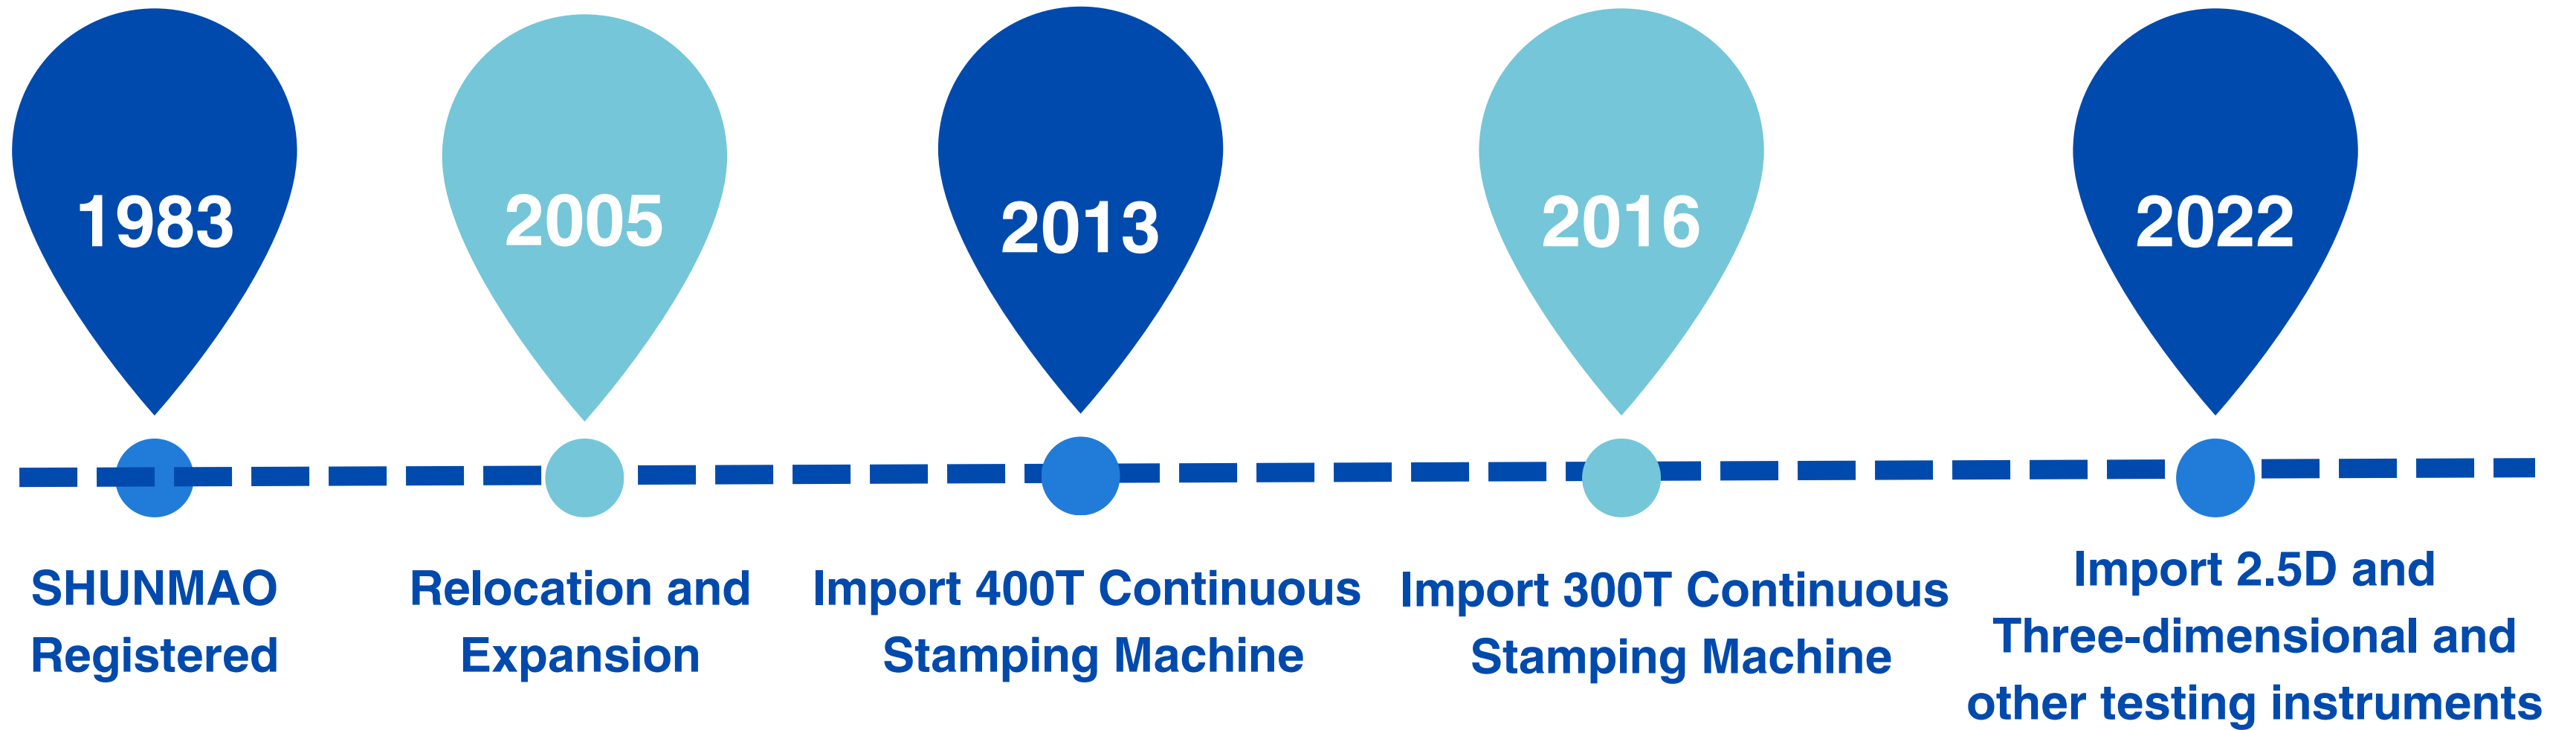

SHUNMAO kicked off its journey in 1983, committing itself to advancing the realms of mold making and stamping OEM. Our primary goal is to cater to the evolving needs of our customers.

Over the years, we've consistently upgraded our technology, shifting our business model from stamping OEM to AM market thanks to our solid foundation within the industry.

The journey of evolution continues for SHUNMAO, and we're enthusiastic about what lies ahead in our quest to serve our customers with excellence.
