Company brief

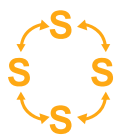

SUPER SERVICE SUPER SOURCR is a leading company devoting in auto parts selling and logistics service. Our sales network goes throughout the country and overseas connecting customers from all provinces in China, as well as from Europe、America、Australia、Central Asia、Southeast Asia、Middle East and Africa etc.

Adhering to the business belief "Quality, Service, Forever", we regard the products ' reliability, Ptness and technique as the vitality of company. We regard the prompt, stable and reliable logistics services as the core value. We regard the national warehousing and delivery services as the major competitive strength. As a result, we are regarded as the convincing distributor for the manufacturers, in terms of our lowest cost, quickest response and widest market coverage.

SUPER SERVICE SUPER SOURCR offers various auto spare parts like lamps, mirrors, plastic body parts, sheet metal parts,cooling fans, radiators, and other accessories. Car makers involve Hyundai, Kia,and more.

SUPER SERVICE SUPER SOURCR Corporation specializes in auto parts business Since 2011. Products are branded both agent for noted brands and self-branding.

We keep learning the advanced management experience and keep ourselves improving. We have set up an auto parts transaction platform in a professional, connective and directive manner. We strive to be the close partners and the bridge between manufacturers and retailers, for our quality, best price and best service.
