Glow Bar - Kojic Acid Soap

Glow Bright's Glow Bar has been scientifically formulated to enhance the natural glow of your skin. The combination of Kojic Acid, Liquorice Root, Vitamin B3 and Vitamin C have been carefully blended with our glycerine based soap for their brightening properties. This soap is safe to use on your entire body.

Vitamin C has been scientifically proven to naturally brighten the skin. Kojic Acid inhibits melanin production topically and is used extensively in topical brightening treatments. Liquorice Root and Vitamin B3 have been proven to reduce pigmentation, improve uneven skin tone and reduce the appearance of dark spots.

Libido Luxe

10 x Veggie Capsules

While our Ultimate Male Collagen will help you to get your health back on track and keep you healthy, many men get to an age where their sexual performance is just not what it was when they were younger. This is completely normal. As we age the blood flow to our sexual organs diminishes, resulting in weaker erections that don't last as long as when we were younger. For assistance in this area Libido Luxe has been scientifically formulated to get you feeling like you did when you were a teenager quickly.

Cnidium, L-Citrulline, Panax Ginseng, Horny Goat Weed, Fenugreek, L-arginine Citrus extract
