various size & color PVC heat shrink tube

various size self-adhesive insulation barley paper

various size kapton high temperature tape

various size fiberglass high temperature tape

various size single side adhesive EVA foam

OEM size epoxy board FR4

Shenzhen E-fire Technology Development Co.,Limited

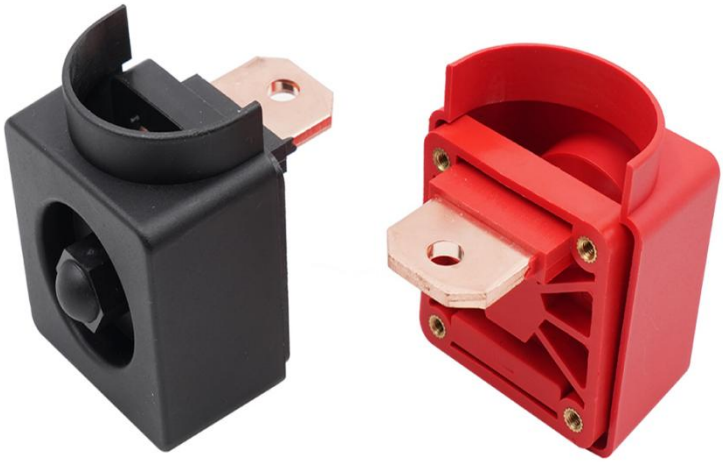

full series of Amass connectors

full series of Anderson connectors

single core energy storage connector

high current copper terminal block

M6 M8 M10 copper battery terminal

75A 100A 150A 180A 200A through wall terminal

Shenzhen E-fire Technology Development Co.,Limited

super soft high temperature silicone cable

customized silicone cable with copper lug

customized silicone cable with Anderson connector

customized silicone cable with Amass connector

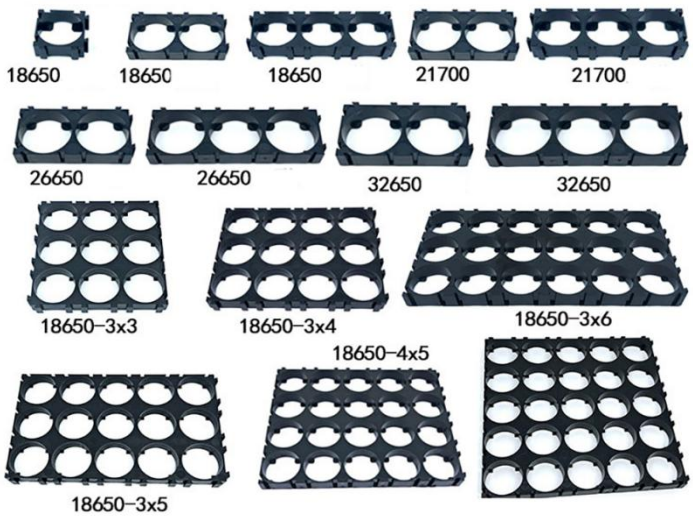

customized silicone cable with RV ring

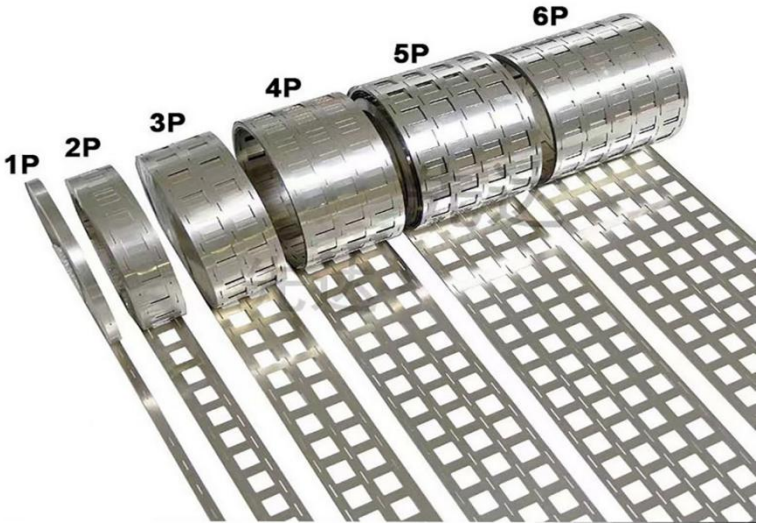

OEM products

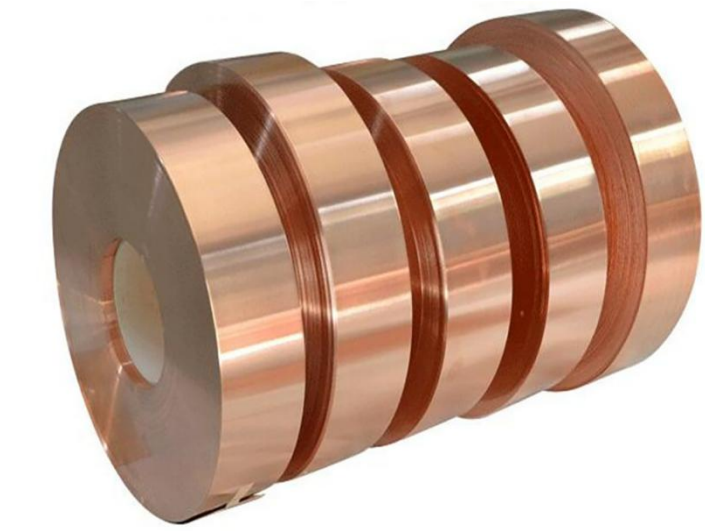

Shenzhen E-fire Technology Development Co.,Limited

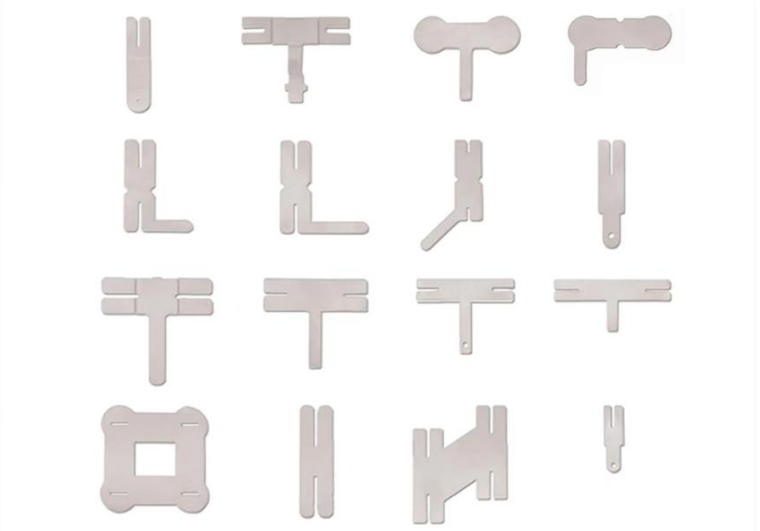

18650 21700 26650 32650 plastic holders

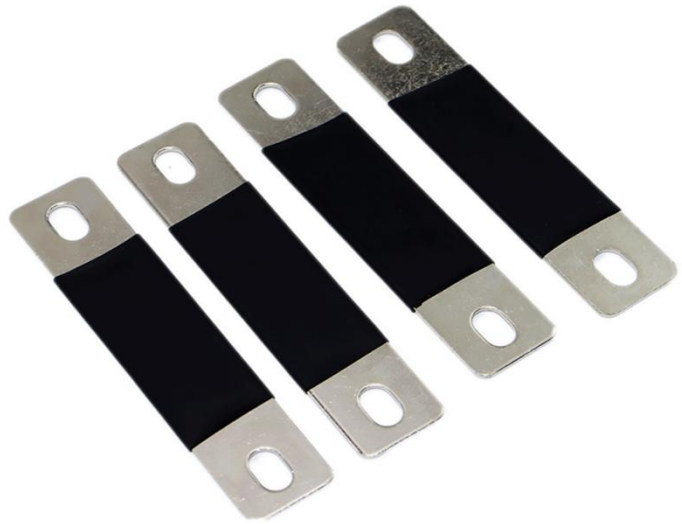

18650 21700 26650 32650 nickel belt

OEM size & small MOQ red copper

OEM design & small MOQ nickel tabs

tinned copper busbar for prismatic cells

various copper lugs available

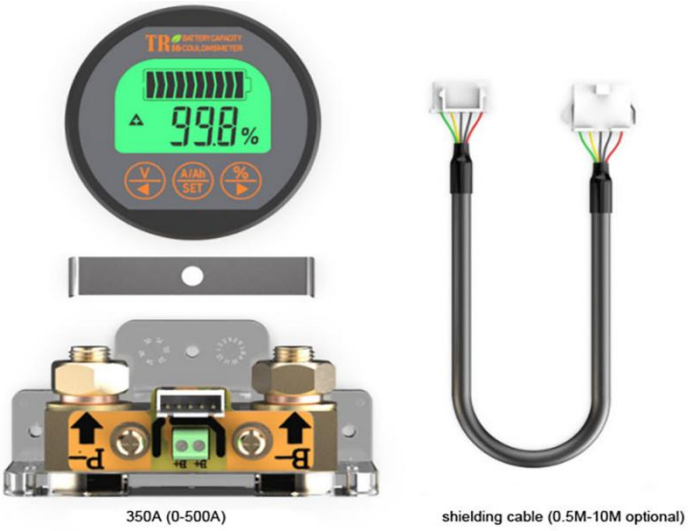

simple battery capacity indicator

battery voltage and capacity meter

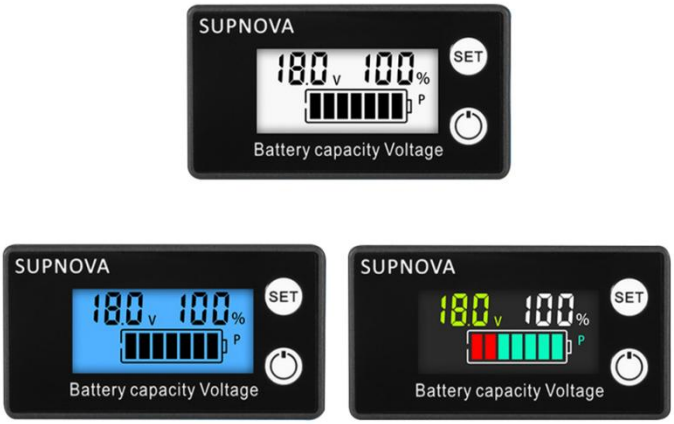

voltage capacity meter for battery case

50A 100A 350A waterproof coulombmeter

8-96V battery voltage meter

cheap battery capacity voltage indicator

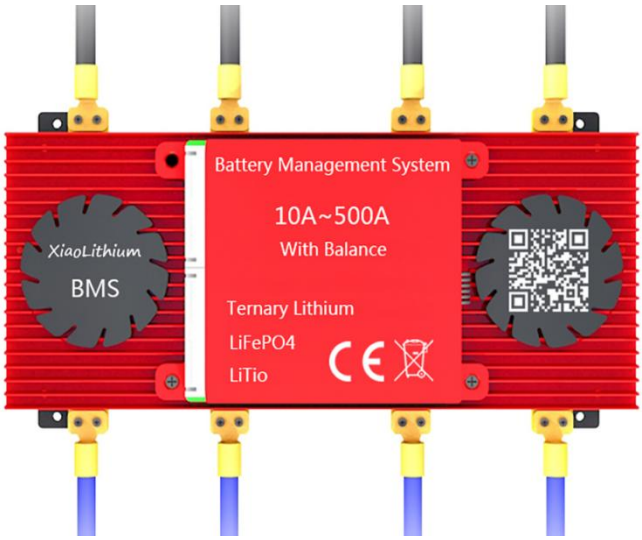

Shenzhen E-fire Technology Development Co.,Limited

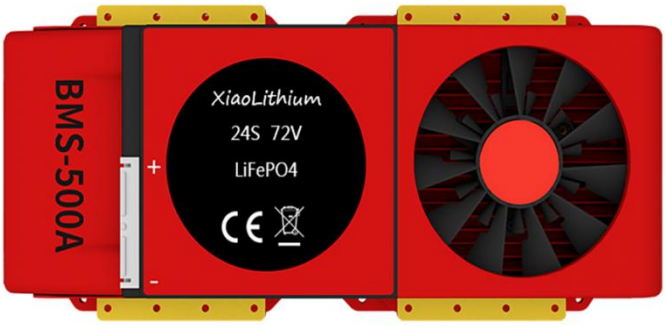

common port split port li ion/LFP bms

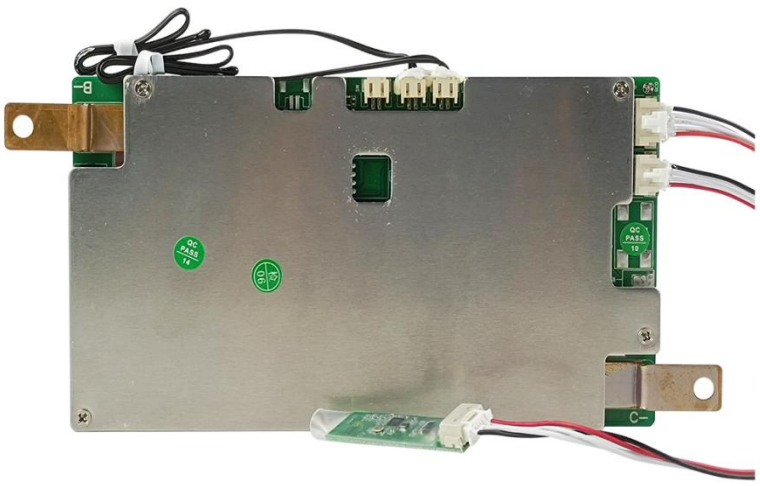

thin electric bike battery bms with on/off switch

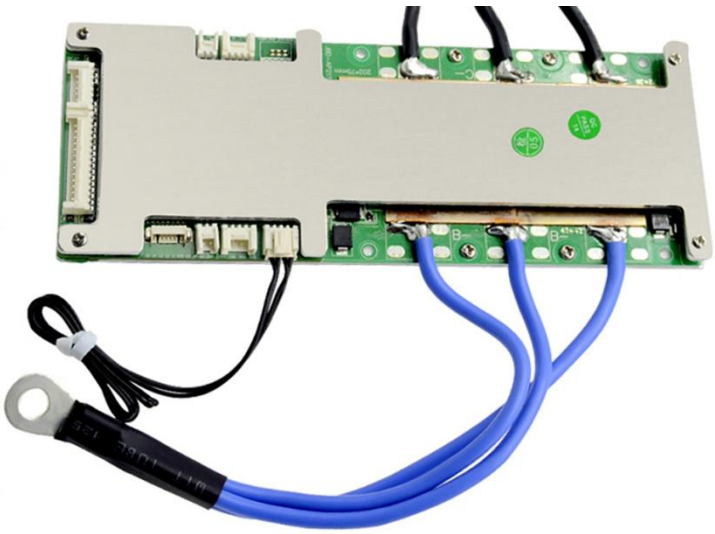

3S-24S 10A-500A waterproof bms

waterproof li ion/LFP/LTO bms with fan

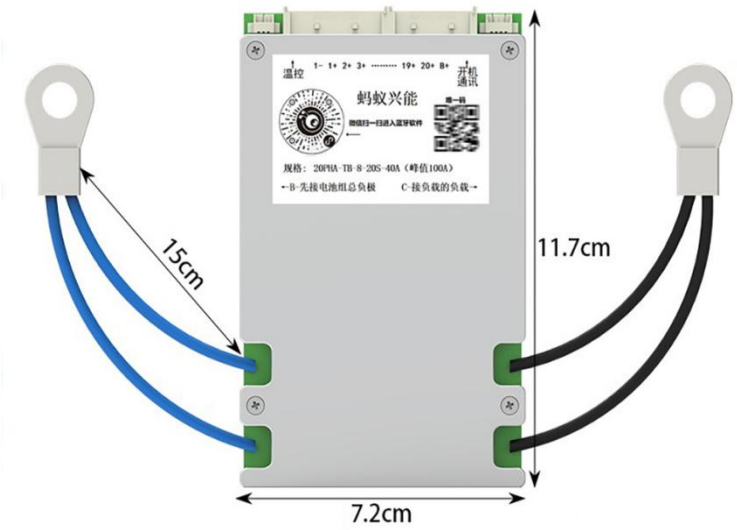

Li ion/LFP smart bms with bluetooth function

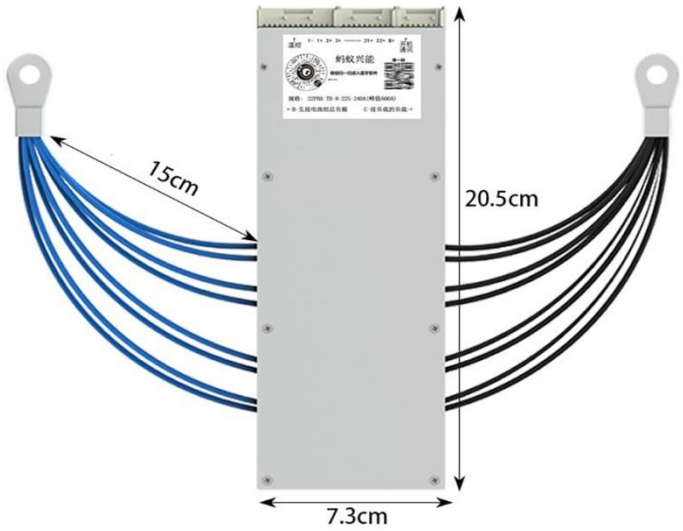

6S-21S 80A-200A smart bms with bluetooth

Shenzhen E-fire Technology Development Co.,Limited

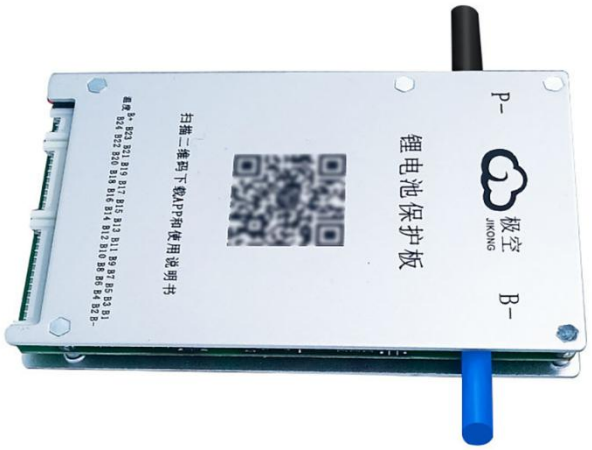

Ant smart bms for li ion/LFP/LTO battery

7-32S ant smart with with bluetooth

Xiaoxiang App 3S~24S smart bms with bluetooth

7-24S 40A/60A/80A active balance smart bms

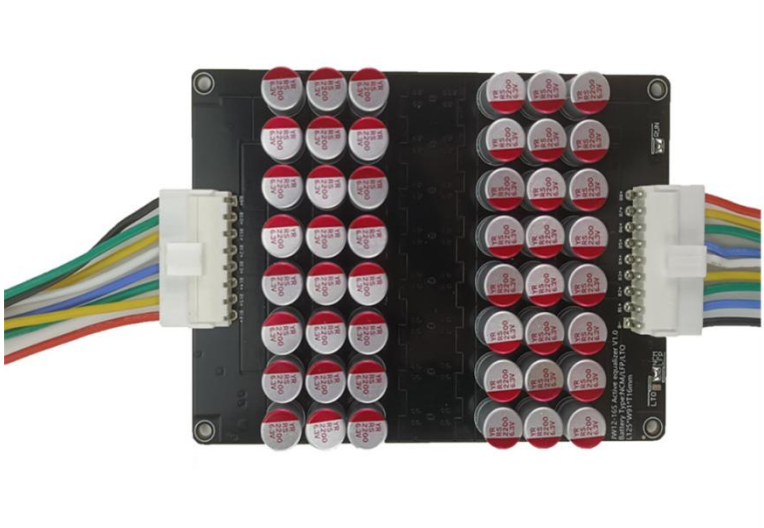

7-24S 100A/150A/200A active balance smart bms

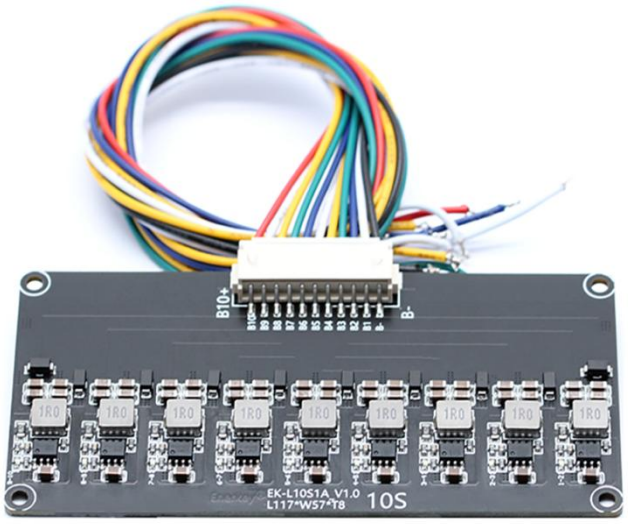

7-25S 500A active balance smart bms with relay

Shenzhen E-fire Technology Development Co.,Limited

2-21S 5.5A capacitor active balancer

2-24S 1A inductive active balancer

2-24S 2A Li ion/LFP/LTO battery active balancer

2-24S 5A Li ion/LFP/LTO battery active balancer

2-24S 4A smart active balancer

2-24S 15A smart active balancer with mobile APP

Shenzhen E-fire Technology Development Co.,Limited

cheap plastic charger for electric bike

aluminum charger with voltage and current display

12V/24V/36V/48V/60V/72V waterproof charger

0-120V 25A voltage current adjustable charger

IP65 waterproof charger with battery voltage indicator

customized charger for golf cart

Shenzhen E-fire Technology Development Co.,Limited

portable and cheap battery spot welder

cheap battery spot welder for DIY

energy storage battery spot welder

copper/aluminum/nickel spot welder

cylinder battery welding machine

nickel spot welder

Shenzhen E-fire Technology Development Co.,Limited

battery voltage & internal resistance meter

0-5V 40A charge/discharge battery tester

12V-72V 20A charge/discharge battery tester

0-4.5V 10A 8 channel battery cell tester

1-5V 50A 4 channel battery tester

1-5V 50A charge/discharge battery tester

Shenzhen E-fire Technology Development Co.,Limited

18650/21700 e-bike battery box

electric bike down tube battery case

12V 7AH battery box full kit

polly electric bike battery case kit

Motorcycle 12V starting battery box

detachable plastic box for battery pack

Shenzhen E-fire Technology Development Co.,Limited

portable power supply (US socket)

portable power supply (EU and UK socket)

use for outdoor emergency lighting

provide electricity for electronic products

charging the car battery

provide electricity for outdoor construction machines
