

PROFESSIONAL TECHNICAL OEM SOLUTION PROVIDER

Lean production

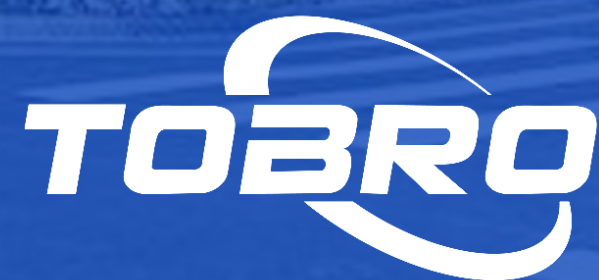

Honest service

WASTE AND RECYCLING EQUIPMENTS PROFESSIONAL SUPPLIER
The Duty Of Everyone Support Environmental Protection

HUNAN TOBRO MACHINE CO.,LTD.

- Hunan Tobro Machine Co., Ltd. is a multispeciality supplier for all kinds of mild steel bins and customized design products at overseas.
- We have a group of professional team with rich practical experience in production and sales.
- Our product mainly apply for environmental protection ,construction project ,mining and related fields.
- We mainly engaged in variety of Steel products .Series 1: containers for the waste recycling management : Skip bins/Roll of dumpster/ hook lift bins /tipper bins/city bin /indoor bin etc which suitable to sanitation, construction area,schools, communities, commercial centers, ,farm ,industrial,large and medium-sized enterprises.
- Series 2 used in transportation for shipping and loading: shipping container/foldable load platform/turnover bins/ steel pallet etc.
- Series 3 in special purpose OEM customized products like special purpose storage container/ modular house /smart garage/ and special steel welding fabrications .
- The company production base which have 150workers,20000 square meter workshop, with over 12years experience,state of the manufacturing facilities and large production capacity in China.As a professional technical OEM Solution Provider with high quality control,as well as exceptional service , We have stable business in Oceania ,American,Asia,South Africa,West Europe such as Singapore, Australia,New Zealand, America ,Jamaica, Zambia,Gambia ,Italy and so on.
- We insist,lean production , continuous Win-win ,attentive service , Create value and serve for the harmonious development of society and national economy.

Roadmap of TOBRO

12 Years in filed

- 
- 2021 ● Increase new transfer equipments and North America market
 - 2020 ● Annual revenue reaches US \$30 Million.
 - 2018 ● Establish cooperation with the largest metal waste recycling company in Australia
 - 2017 ● Expand production area reached more than 100,000 M²
 - 2016 ● visit Singapore & Australia market . established cooperation with factory , rental company and end-user.
 - 2015 ● Brand TOBRO for hook bin , skip bin , customized waste and treatment equipments for overseas
 - 2010-2014 ● supply service and products for local market

Our Products

Hook lift dumpster

Skip bins

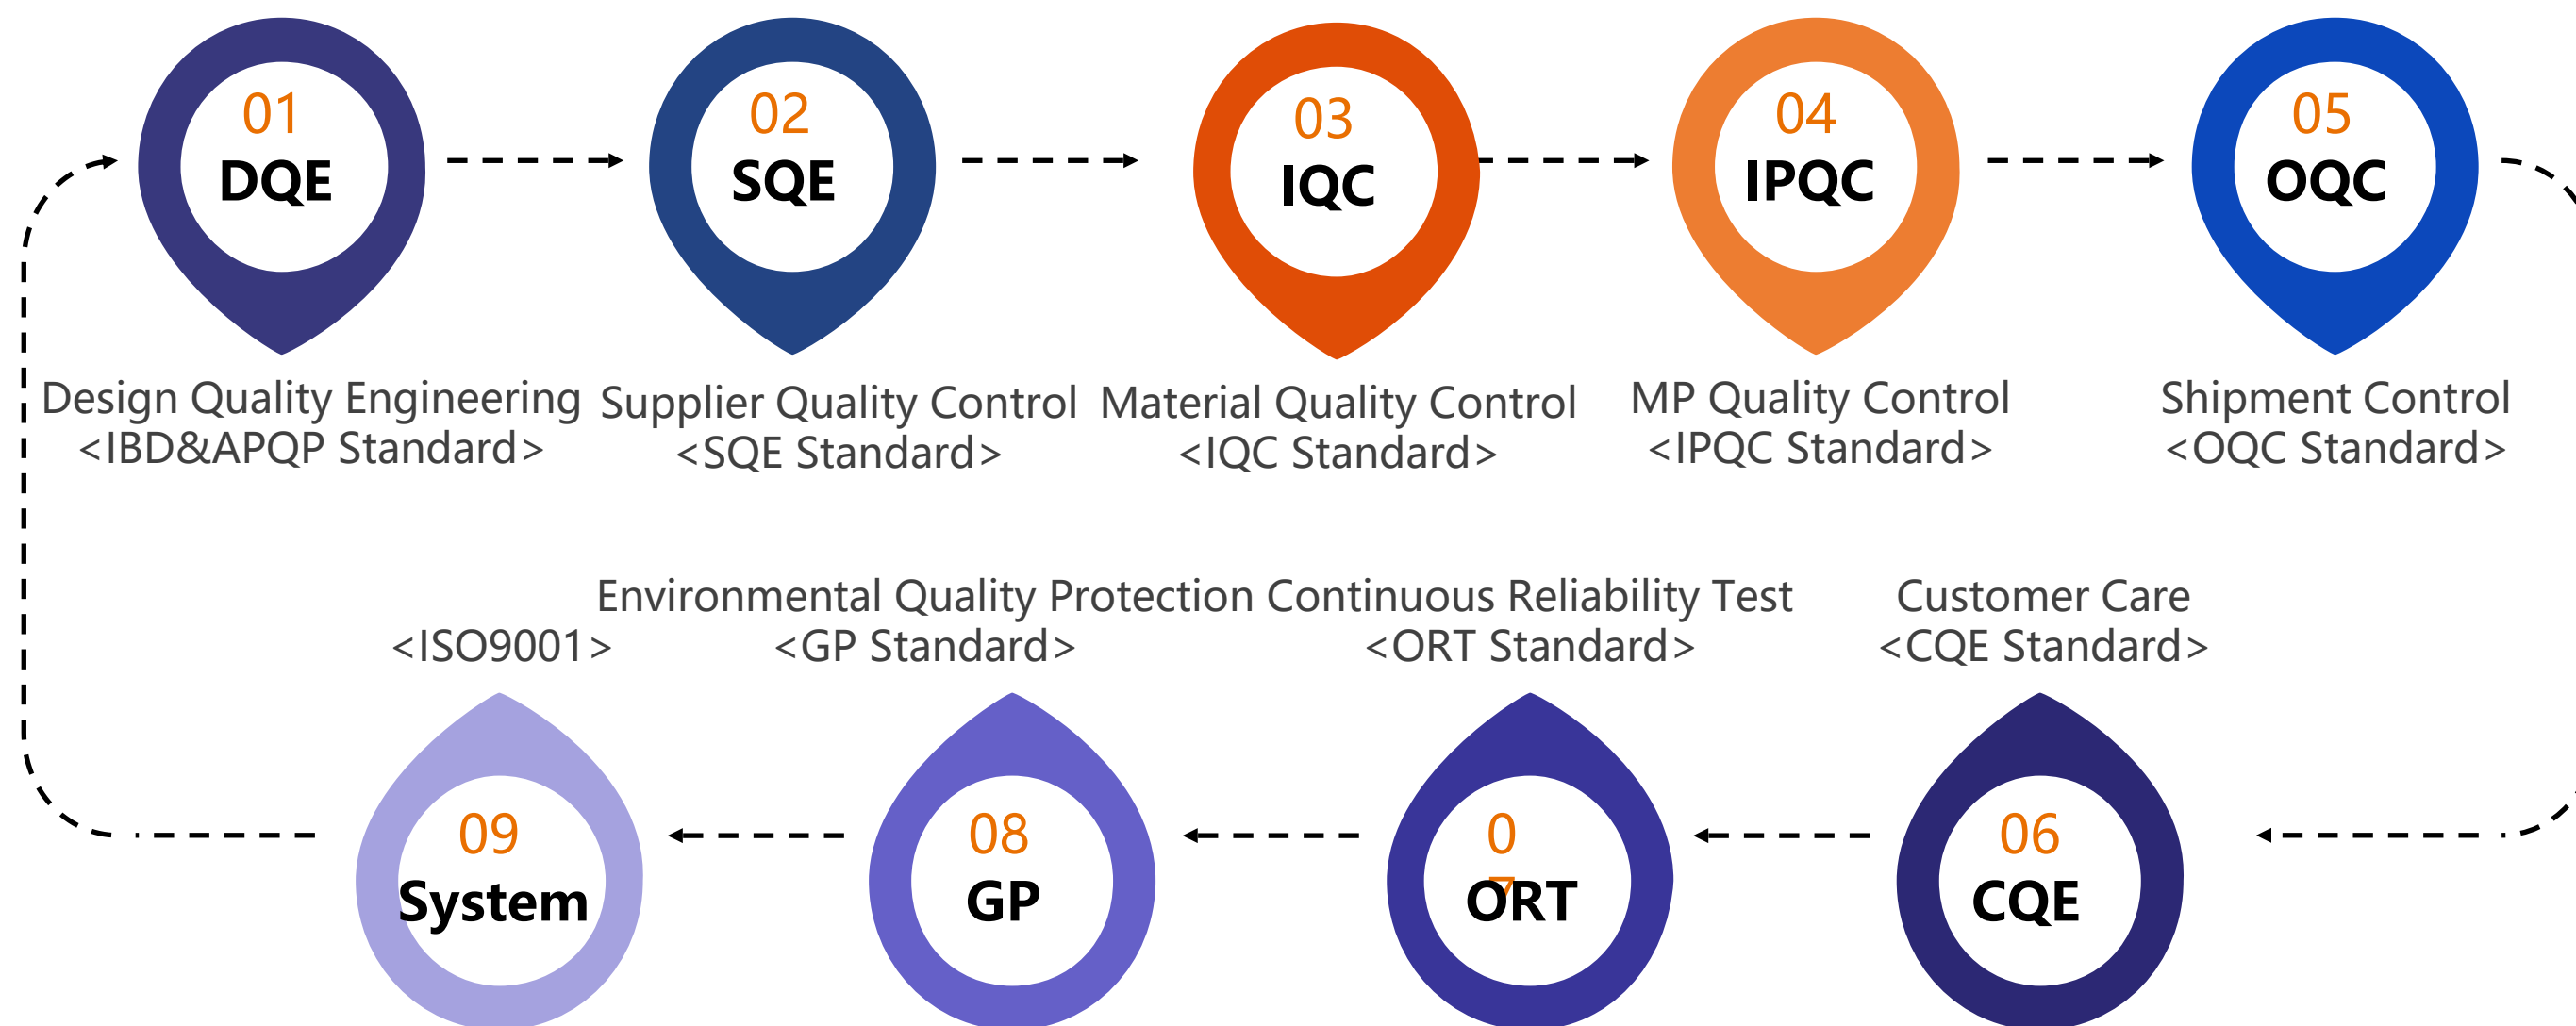

Foldable platform

Front lift bin

Strict Quality Contarol

Hook lift bin

also known as roll-on roll-off or RoRo, are the ideal solution for larger quantities of bulky waste, such as construction materials ,metal scrap collection,demolition waste. Wood ,plastic etc light waste Material.
