

Lize Products List:

1. Thermal printer

1.1. 58mm thermal bill/ticket printer (suitable for restaurants, hotels, supermarkets, shopping malls, retail stores)

LZH-200MP

width: 58mm
effective width: 48mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Speed: 40-70mm/s
weight: 520g (without paper)
Paper roll diameter: <50mm
Dimension: length*width*height
(180 x 130 x 110) MM

LZH-201P

width: 58mm
effective width: 48mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Speed: 50-85mm/s
weight: 520g (without paper)
Paper roll diameter: <50mm
Dimension: length*width*height
(129 x 82 x 62) MM

1.2. 80mm thermal label printer (suitable for warehouse, supermarket, department store)

LZH-300MT

width: 80mm
effective width: 58/80mm
Resolution: 12 dots/mm (300dpi)
DOT/LINE: 384
Max speed: 250mm/s
weight: 1kg (without paper)
Paper roll diameter: <260mm
Dimension: length*width*height
(130 x 161 x 126) MM

LZH-302MT

width: 80mm
effective width: 72mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Speed: 220mm/s
weight: 0.72kg (without paper)
Paper roll diameter: <260mm
Dimension: length*width*height
(198 x 184 x 134) MM

LZH-301MT

width: 80mm
effective width: 58/80mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Max speed: 250mm/s
weight: 1kg (without paper)
Paper roll diameter: <260mm
Dimension: length*width*height
(200 x 151 x 141) MM

LZH-303MT

width: 80mm
effective width: 72mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Speed: 220mm/s
weight: 0.82kg (without paper)
Paper roll diameter: <260mm
Dimension: length*width*height
(179 x 142 x 122) MM

1.3. 102mm Thermal label/barcode printer (suitable for express delivery and logistics)

LZH-800MT

width: 25mm-115mm
effective width: 20mm-110mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Speed: 150mm/s
weight: 882g (without paper)
Paper roll diameter: <200mm
Dimension: length*width*height
(200 x 81 x 87) MM

1.4. A4 Thermal printer

LZH-800P

width: 210mm
effective width: 200mm
Resolution: 8 dots/mm (203dpi)
DOT/LINE: 384
Speed: 15mm/s
weight: 915g (without paper)
Dimension: length*width*height
(310 x 68 x 41) MM

1.5 Hangtag printer

LZH-3000T

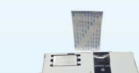

Resolution: 3000PI(112dots/mm)
Print speed 75-125mm/s
Hanger width: 25-78mm
Hanger length: 60-180mm
Hanger thickness: 0.25-0.65mm
Operation panel: 3.5 inch LED screen
Machine size: 330mm*240mm*248mm
Print method: thermal transfer
Interface: USB-B(full speed method)

2. Printer spare parts

2.1. Thermal printer head

LZ-807B

LZ-807B1

LZ-58DC thermal printer head

LZ-58DC

LZ-807B1

LZ-807B 80mm Oblique feed label
ticket printer head

LZ-807B1 80mm thermal printer
with cutter (label and receipt both)

LZ-390 80mm thermal
printer head with cutter

LZ-380 80mm thermal
printer head with cutter

2.2. Thermal printer cutter

LZ-80 Cutter module

2.3. thermal printer blade

LZ-80 thermal printer blade

2. Cash register

Features:
Main display: 15.6 touch screen, 1366*768 resolution, multi-touch
Customer display: 8" display, 1024*768 resolution (standard)
8 bit break code digital display (optional)
15.6" display, 1366*768 resolution (optional)
Operation system: Android 5.1.1, Android 6.0 (optional)
Built-in 58mm thermal receipt printer, compatible with ESC/POS commands
Cash drawer function supported.
Support to connect various USB external device
(Mouse, Keyboard, barcode scanner via USB port etc).
Built-in double track stereo loudspeaker
Clock function supported
Built-in 1D/2D scanner head (optional)

3. Cassette furnace

LZH-G1000

Power: 1.6kw/h
Ignition method: manual
burning time: infinate for 2 minutes and continuously burn at
maximum fire for more than 65 minutes
Weight: 520g
Size: 175*108*85mm

LZH-G2000

Power: 2.0kw/h
Gas consumption: 145g/h
Continuous combustion time:
Iwantani gas 130 minutes
Weight: 820g
Size: 267*195*99

3. Hardware stamping, sheet metal, mold development and design, CNC processing

中山市立泽金属制品有限公司是一家从事五金冲压、钣金、CNC加工、模具开发设计、定制各类五金配件和金属件的公司。成立以来开发了各类割草机配件、空调框、汽车配件、热敏打印机切刀、刀片和组件等，广泛应用于整机生产厂家。

2018 年立泽公司成功开发出 80mm 热敏打印机切刀、刀片和切刀组件，热敏打印机芯并在珠海、厦门、深圳打印机厂商中规模应用，获得好评。

2021 年立泽金属开始涉足打印机整机制造和定制生产，可以提供 2/3/4 英寸热敏标签、条码、票据打印机整机及核心部件。

本公司具备热敏打印机整机生产能力，可接受各厂家贴牌生产，定制开发。

Zhongshan Lize Metal Products Co., Ltd. is a company engaged in hardware stamping, sheet metal, CNC processing, mold development and design, and customization of various hardware accessories and metal parts.

Since its establishment, the company has developed various types of lawn mower accessories, air conditioning frames, automotive accessories, thermal printer cutters, blades and components which are widely used in various machine manufacturers.

In 2018, Lize Company successfully developed 80mm thermal printer cutter, blade and cutter component, as well as thermal printer head which was applied on a large scale in printer manufacturers in Zhuhai, Xiamen, and Shenzhen and received high praise.

In 2021, Lize Metal began to engage in the manufacturing and customized production of complete printers, providing 2/3/4 inch thermal label, barcode, bill printers and core components. Our company has the production capacity of thermal printers and can accept OEM, ODM production from various customer.
