The Purest PLLA DERMAL FILLER

ETHERICS®

* 100units x 1 vial

Product Description

Manufacturer	HANCHUNG
Active Ingredients	PLLA
Appearance	Ethetics® 100 offers deep hydration, collagen boost, and improved elasticity, reducing wrinkles and restoring volume. Combined with Ethetics® 200, it doubles moisture and enhances volume.
Storage	1~30°C
Aesthetic effect	12~18 months
Treatment cycle	Recommended 4~6 weeks interval

Fills in insufficient volume by promoting collagen synthesis in the skin.

Elasticity increase effect, effect occurs slowly

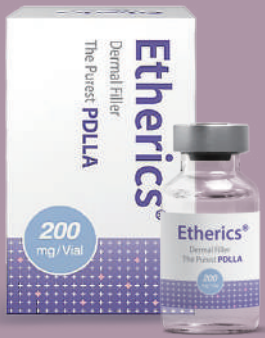

Products that induce collagen formation

Elasticity develops naturally and gradually, and the effect lasts for a long time.

Injection site

- 1 Temple
- 2 Cheekbone
- 3 Under the eyes
- 4 Cheek
- 5 Nasolabial folds
- 6 Mouth
- 7 Jaw line

The Purest PDLLA DERMAL FILLER

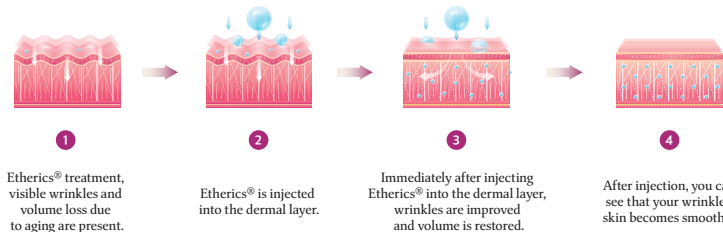

ETHERICS®

* 200units x 1 vial

Product Description

Manufacturer	REGEN BIOTECH GLOBAL
Active Ingredients	PDLLA
Appearance	Etherics® 200, made in Korea, is a PDLLA skin booster that offers the same quality and effects as AestheFill®. It promotes collagen production and effectively fills deep skin volume.
Storage	1~30°C
Aesthetic effect	12~18 months
Treatment cycle	Recommended 4~6 weeks interval

Skin changes after injection

Etherics® uses PDLLA to fill in insufficient volume by stimulating collagen synthesis in the skin, increasing elasticity and inducing collagen formation. Rather than having an immediate effect like fillers, elasticity is gradually created naturally and the effect lasts for a long time. Better results can be seen when using PLLA Etherics® 100mg and PDLLA Etherics® 200mg together.
