

WINE STOR AGE SERIES

JASMINE[®]

The JASMINE wine storage series is one and only in the industry that integrates wine storage hardware into a complete series to meet the various needs of wine storage inside or outside the cabinet.

We follow the luxury style of SE Graphite Grey. The wine bottle lay flat design is convenient to take and can maintain the quality of the wine, also to prevent the cork from cracking.

The simple metal texture and streamlined appearance will bring you the visual enjoyment of industrial art, display the collection and taste the high-quality life at the same time.

Whether it is a collection or display at home, it can make the overall space show an extraordinary fashion taste.
