Greetings from Himang International – Himang Beauty

Himang beauty is the 1st company registered in South Korea by two Indian nationals which deals in elite Korean Skin Care Beauty Products and Korean Aesthetic care.

We are a B2B company and are a one-stop shop of Korean Skin Care Brands which are committed to merge modern Dermatological science with gentle and natural ingredients. We are on a mission to empower every skin type to glow with health and confidence - using clean, effective formulations rooted in care and science.

The Founder and CEO of this company is Ms. Parul Mehta and Co – Founder is Dr. Nutan Shukla.

Parul Mehta has done her Master's in Social Work from Delhi University and Bachelor's in Media and Journalism. She has more than 15 years of experience in Beauty, Health and Wellness and has done extensive study and research in this field.

Dr. Nutan Shukla is a Co-founder of Himang Beauty and serves as the Senior Researcher and Head of the Biochemistry Laboratory at Southern Federal University (SFEDU) in Russia. She completed her PhD in convergence science in South Korea in 2023, concentrating on the development of various nano formulations including emulsions, microbubbles, and nanobubbles. In the same year, she was awarded a Doctor of Science (DSc) degree in the scientific domain. Her expertise lies in evaluating the quality and compatibility of nano formulations applied in cosmetics and skincare products.

The Managing Director of the company is Mr. Vishal Mehta. He is a Chartered Accountant by qualification and have more than 24+ years of corporate experience across various industries and diverse finance functions. He is a season finance employee.

At Himang, our ideology is to associate with those Korean Beauty Manufacturers whose products are not only vegan but are: -

- Natural
- Organic
- COSMOS Certified
- ECO friendly
- CWG Certified
- Have ISO, GMP, CPNP, FDA, CE Certification
