

WOMEN'S CLOTHING BRAND

ORIGIA

CASUAL COLLECTION

ORIGA is a family-owned business specializing in women's clothing. Our goal is to create contemporary garments with a focus on sustainability and durability.

Despite the challenges posed by the full-scale invasion of Ukraine and the ongoing war, ORIGA continues to design and produce trendy womenswear. We believe in the resilience of our people and the power of creativity.

When you choose ORIGA, you're not simply buying clothes; you're supporting a Ukrainian brand that embodies strength, hope, and an unwavering commitment to quality.

We create clothes that meet the needs of the modern woman. **Our collections include coats, jackets, trench coats, suits, and dresses.**
