Nzema Appolo Skincare is a distribution company which sources 100% natural, raw skincare ingredients straight from the hinterlands in Ghana, West Africa.

Our product range consists of skincare ingredients which address key skin concerns including; ageing skin, eczema, psoriasis, stretch marks, acne, hyper pigmentation - for a variety of skin types.

All of our products are registered with the FDA and certified.

We have MSDS documents for each of the products available.

Where Heritage Meets Sustainable Care

Nzema Appolo's Commitment to Ethical Practices and Sustainability

At Nzema Appolo, our mission goes beyond creating high-quality, natural skincare products—we are dedicated to making a positive impact on people and the planet. Our ethical practices and sustainability initiatives are deeply rooted in transparency, responsibility, and respect for the communities we work with and the environment we cherish.

Nzema Appolo is a skincare brand that celebrates cultural heritage, sustainability, and natural beauty. Inspired by the traditions of the Nzema Appolo people in Ghana and other cultured societies, our brand combines ancient wisdom with modern science to deliver high-quality, eco-conscious skincare products.

Core Values

Where Heritage Meets Sustainable Care

At the heart of Nzema Appolo we have 7 core values that define our mission:

Cultural Heritage and Traditional Wisdom: Products draw on the healing power of plants, herbs, and oils, reflecting Ghanaian beauty rituals and connecting customers to a rich cultural legacy.

Natural Ingredients: Shea butter, baobab, and moringa oils are sustainably sourced and free from harmful chemicals, nourishing and protecting the skin.

Sustainability: Committed to eco-friendly practices, Our products supports local farmers, uses sustainable packaging, and preserves natural ecosystems. Our commitment to sustainability begins with responsibly sourcing the finest natural ingredients, ensuring they are both effective and environmentally friendly.

- **Wildcrafted and Ethically Harvested:** Our products are sustainably harvested, preserving biodiversity and promoting regenerative farming practices.
- **Zero Waste Production:** Our suppliers utilize every part of the raw ingredients in our production process to minimise waste. For example, Baobab seeds are cold-pressed for oil, and leftover material is composted or repurposed.
- **Plastic-Free and Recyclable Packaging:** We use recyclable and refillable packaging to reduce plastic waste and environmental impact.

Quality and Luxury with Integrity: Our brand offers affordable, luxurious products crafted with ethically sourced ingredients, ensuring visible results without compromising on integrity.

Quality and Luxury with Integrity: Our brand offers affordable, luxurious products crafted with ethically sourced ingredients, ensuring visible results without compromising on integrity.

Empowerment and Community Support: Over 70% of our sourcing partners are women-led cooperatives and the remainder are individual farmers throughout the hinterlands in Ghana, who work strategically with ethical suppliers ensuring they receive a fair wage within an agreed timeframes. Each farmer is well-versed and trained in age old farming techniques which have been handed down over generations. At Nzema Appolo we aim to empower individuals and communities through trade as we believe this is the most effective way to drive change for generations to come.

Transparency and Trust: Full ingredient disclosure and FDA-approved standards build lasting customer trust.

Holistic Skincare: Encouraging a lifestyle of self-care, we promote balance, hydration, and overall well-being.

Nzema Appolo is more than a skincare line—it's a movement that merges tradition with innovation, luxury with sustainability, and beauty with purpose. By prioritizing ethical sourcing and environmentally conscious practices, our brand creates effective, luxurious skincare that nurtures both skin and soul.
