

BUSINESS EXPRESS LIMITED

Trusted Global Supplier of Gold, Copper & Coltan

About Us

Business Express Limited is a trusted global supplier of high-quality minerals including gold, copper, and coltan. We connect reliable mining operations to international buyers, ensuring quality, ethical sourcing, and timely delivery. Our commitment to integrity and transparency has made us a dependable name in the international mineral export industry.

Our Products

Gold	Refined gold bars and nuggets of exceptional purity, sourced from certified mines and refined globally.
Copper	High-grade ore and processed copper for industrial and manufacturing use worldwide.
Coltan	Ethically sourced coltan, vital for electronics and technology industries, ensuring traceability.

Why Choose Us

- Ethical and transparent sourcing
- Reliable global logistics and delivery
- Consistent quality assurance
- Competitive pricing
- Long-term partnerships with certified miners
