

PT. SURABAYA MEKABOX

COMPANY PROFILE

Solid | Moving forward | Blessed

ABOUT US

PT. SURABAYA MEKABOX

Established in 1973, Surabaya Mekabox is a well-known paper packaging manufacturing company in Indonesia. We started the journey as a corrugated carton box manufacturer and in 1983, we had our first paper mill and became one of the first integrated paper packaging companies in Indonesia. Within 50 years of experience, we have been evolving and thriving to produce high-quality packaging paper and carton boxes.

Sustainability is our priority. Using post-consumer corrugated carton boxes, we recycle and produce medium and test liner paper. Years of experience dealing with recycled fiber makes our products an ideal choice where environmental considerations are priorities.

We have more than 1000 human capital as our team to serve our customers in domestic and global market .

OUR PHILOSOPHY

PT. SURABAYA MEKABOX

Mission

To implement operational strategy that views packaging industry as an integrated process, in order to achieve our business partners objectives at the reasonable cost.

Vision

To be preferred integrated environmentally-friendly recycle based paper packaging manufacturer.

PT. SURABAYA MEKABOX

PAPER MILL

With annual capacity of 240,000 MT, we are an established manufacturer of recycle testliner, corrugating medium, coreboard, and recovered kraft fiber (RKF) that meet both domestic and international requirements.

OUR PRODUCTS

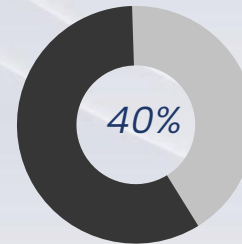

PT. SURABAYA MEKABOX

Test Liner

Our test liner is 100 % made of recycled paper. It is commonly used for the top and bottom liners of carton boxes.

Fluting Medium

Our medium paper is used as fluting paper; a middle liner of a corrugated carton board, which provides optimum protection for your product.

PAPER MILLS MACHINE

PT. SURABAYA MEKABOX

PM 1

Trim width: 2.400–2.500 mm

Output:
Test Liner, White Top Liner

Basis weight: 100–250 gsm
Capacity : ± 3.500 MT/month

PM 2

Trim width: 2.600–2.700 mm

Output:
Medium Paper, RKF

Basis weight: 100–200 gsm
Capacity : ± 2.750 MT/month

PM 3

Trim width: 3.100–3.200 mm

Output:
Medium Paper, Core Board, RKF

Basis weight: 105–450 gsm
Capacity : ± 3.750 MT/month

PM 5

Trim width: 3.100–3.200 mm

Output:
Test Liner, White Top Liner, Medium Paper

Basis weight: 140–350 gsm
Capacity : ± 10.000 MT/month

CORRUGATING MACHINE

PT. SURABAYA MEKABOX

HSIEH HSU - 2 UNITS

Machine Capacity :
Sheet Minimum 130 x 500
Sheet Maximum 1.800 x 3.000

Speed : 200 m/min
Output : BF, CF, BC sheet
Capacity : 8.000 ton

BHS

Machine Capacity:
Sheet Minimum 150 x 500
Sheet Maximum 2.500 x 3.500

Speed : 250 m/min
Output : BF, CF sheet
Capacity : 6.000 ton

FLEXO FOLDER GLUER MACHINE

PT. SURABAYA MEKABOX

LIAN TIEE AFG

Machine Capacity:
Min 215 x 400
Max 635 x 1.900

4 Colors

Speed : 200 pcs/min

TCY 6PA

Machine Capacity:
Min 345 x 610
Max 1.542 x 2.450

4 Colors

Speed : 200 pcs/min

JHF INLINE

Machine Capacity:
Min 324 x 790
Max 710 x 1.800

4 Colors

Speed : 200 pcs/min

FLEXO FOLDER GLUER MACHINE

PT. SURABAYA MEKABOX

XIN TIAN

Machine Capacity:
Min 310 x 650
Max 900 x 2.600

4 Colors

Speed : 200 pcs/min

GIANT 1

Machine Capacity:
Min 300 x 800
Max 600 x 1.800

4 Colors

Speed : 350 pcs/min

GIANT 2

Machine Capacity:
Min 300 x 800
Max 600 x 1.800

4 Colors

Speed : 350 pcs/min

FLEXO SLOTTER AND DIE CUT MACHINE

PT. SURABAYA MEKABOX

SUNRISE – SN4

Machine Capacity:
Min 750 x 340
Max 1.200 x 2.700

4 Colors

Speed : 200 pcs/min

JHF

Machine Capacity:
Min 300 x 680
Max 1.200 x 2.350

4 Colors

Speed : 200 pcs/min

JHF 2

Machine Capacity:
Min 300 x 680
Max 1.200 x 2.350

4 Colors

Speed : 200 pcs/min

FLEXO SLOTTER AND DIE CUT MACHINE

PT. SURABAYA MEKABOX

JHF 3

Machine Capacity:
Min 300 x 680
Max 1.200 x 2.350

4 Colors

**Speed : 200
pcs/min**
