THE EBONY & IVORY COLLECTIVE

COMPANY PROFILE

About Us

The Ebony & Ivory Collective is a woman-led African enterprise specialising in commodities sourcing, logistics optimisation, and strategic trade facilitation across the SADC region and beyond.

We connect Africa's excellence to global markets through ethical sourcing, deep regional expertise, and comprehensive end-to-end value chain support. Our clientele spans Asia, North America, the Middle East, and the African continent.

Our Unique Selling Proposition

Global Communication & Local Competence

- Multilingual capability
(Afrikaans, English, French, German, Ndebele, Oshindonga, Russian)
- Deep understanding of SADC markets, regulations, and supply chains

Strategic Differentiation

- Woman-led governance
- Integrity and full compliance across operations
- AfCFTA-aligned facilitation and market access strategies

Core Service Pillars

Commodities Sourcing & Export

We specialise in identifying, verifying, and exporting ethically sourced commodities:

- Minerals: Copper, tin, cobalt, chemicals for mining operations
- Fisheries: Hake, horse mackerel
- Agricultural Produce: Apples, oranges, pears
- Livestock & Meat: Beef, lamb, chicken

Our partner networks are fully compliant, export-ready, and environmentally responsible.

Value Chain Optimization & Consulting

We support partners and buyers with seamless operational flow and visibility across the export lifecycle:

- Market access & strategic advisory
- Distribution & logistics coordination
- Export documentation & regulatory compliance
- Cold chain management & warehousing solutions

Our role is to simplify complexity and ensure consistent, high-quality delivery to global markets.

Sectors We Serve

Mining & Minerals

Sourcing and export of high-demand minerals for global markets, chemicals for mining operations with women-led oversight ensuring compliance, transparency, and responsible supply chains.

Fisheries & Ocean Economy

Export of Namibian marine products — hake, horse mackerel — under strict quality and temperature control standards.

Agriculture & Agri-Exports

Supply of fresh produce such as apples, oranges, pears, and specialised primary products sourced ethically across SADC.

Logistics & Distribution

Inland transport, cold chain management, and port coordination through Walvis Bay, Namibia & Cape Town, South Africa and other corridors.

International Procurement

Sourcing specialty materials, equipment, and category-specific goods through global supplier networks.

African Trade & AfCFTA Strategy

Positioning clients to maximise continental opportunities through regulatory alignment and market insight.

Our Approach & Commitments

Commodities Sourcing & Export

The Ebony & Ivory Collective operates through a philosophy of precision, transparency, and partnership. Our methodology is built on:

1. Ethical Sourcing

Every supplier is vetted for quality, compliance, and environmental responsibility.

2. Partnership-Driven Execution

We work alongside clients — not just as facilitators, but as strategic collaborators.

3. End-to-End Visibility

From origin to port to global delivery, we provide clarity, structure, and operational continuity.

4. Speed & Reliability

Our team is known for delivering under pressure, meeting tight deadlines, and resolving challenges calmly and efficiently.

Our Commitments

We commit to:

- Integrity in all transactions
- Gender-inclusive leadership
- Transparent communication
- Sustainable supply chain practices
- Consistent quality and on-time delivery
