 - JAPAN : DREAM STONE / 日新ドレスと/OSEWAYA CO.,LTD

COMPANY INTRODUCTION

6. Company Strength : 3D design team in Sample Division

Amor's most strength is the capability of 3D design included CAD & open samples. Our current customers are requesting new samples every month. Specially our buyers in E.U want to see their goods with 3D rendering files. Before making their real sample, they can check the actual goods of their design through the rendering files. This is saving time for both companies.

COMPANY INTRODUCTION

7. Company Positioning : Company Division

- MAIN OFFICE IN QINGDAO :

- * 3D/CAD/OPEN SAMPLE DESIGN TEAM

- * QC & SHIPMENT CONTROL.

- * BRASS CASTING MOLD DEPARTMENT :We have a merit to offer the price cheaply than other companies due to brass casting department in-house.

- PRODUCTION MAIN ASSEMBLE LINE:

Due to cheap labor cost, we are running one more production line in Lianyungang city in JIANGSU to offer the best price to customers.
