

The background image is a composite. The upper portion shows a large container ship at a port, with a red crane visible. The ship is loaded with many colorful shipping containers. The lower portion of the image, which serves as the foreground, is a field of tall, golden-brown grain, likely wheat or corn, under a soft, hazy sky. The text is overlaid on the middle section of the image.

LOTUS GROUP INTERNATIONAL LIMITED

Global Commodity Trading & Supply Chain Solutions

Agricultural Commodities • Food Grade Oils • Global Logistics

COMPANY PROFILE

About Us

LOTUS GROUP INTERNATIONAL LIMITED is a UK-based global commodity trading company specializing in agricultural commodities, food grade oils, and supply chain solutions. We connect producers and buyers across six continents, delivering quality products with reliability and transparency.

Our Mission

To provide world-class commodity trading services that bridge global markets, ensuring food security and sustainable supply chains for our partners worldwide.

Our Vision

To become a leading international commodity trading group recognized for excellence, integrity, and innovation in connecting global agricultural markets.
