FARAJA PRIME MFG

EXPORTERS & PROCESSORS OF PREMIUM AGRO-COMMODITIES

"From the Heart of Tanzania to the Global Market"

1. ABOUT OUR COMPANY

Faraja Prime Mfg is an officially registered agricultural processing, manufacturing, and export enterprise based in Arusha, Tanzania. We specialize in sourcing, processing, and supplying high-grade agricultural commodities, value-added food products, fresh horticulture, spices, and animal proteins.

Working directly with local farming communities, we guarantee full traceability, sustainable farming practices, strict hygiene standards, and non-GMO product integrity. Our operations are fully equipped for both small-batch specialized orders and bulk commercial shipments.
