ABOUT US

AMC Vietnam Co. Ltd. is a leading manufacturer and exporter of Vietnam engineered wood products since 2005. Our factory is in Lang Son Province, producing EPA Carb/TSCA plywood, formwork plywood, LVL for furniture, packing and construction.

Since 2005, we have built the brand of AMC Vietnam plywood, which is known not only in the domestic market but also in many overseas markets around the world. Our regular and long-term partners are everywhere from the United States, Japan, India to Southeast Asia countries

We can supply calibrated and sustainable Plywood 100% produced in Vietnam with first grade quality guaranteed. With strength, dimensional stability and high load-bearing capacity, it's the best option for cabinet and furniture making, roofing, wall-panel, formworks, rafters, and other construction purposes.

HISTORY

15 years - By our heart and spirit

Starting as a supplier of packing Plywood made by factories in Dong Anh, Gia Lam and Ninh Hiep areas ,near Hanoi City, to domestic market and export to Japan and South Korea in 2005, AMC Vietnam Nam has gradually developed and transformed the company's model to improve product quality and reach to higher maket's ranges.

In 2010, we started manufacturing and supplying commercial plywood and film-faced plywood with a two-time-hot-pressing process and with sanding (calibration), for commercial and for construction in Vietnam as well as Southeast Asian countries.

In 2014, we got our first furniture plywood orders and started exporting to the Indian market.

In 2016, container flooring plywood product with AMC Vietnam brand was launched, first presented in the Korean market.

In 2017, we began exporting to the US market with thin plywood and container flooring plywood for exterior.

In 2018, our factory completed the registration program of EPA CARB Phase II and TSCA Title VI certificate, certifying that AMC Vietnam plywood products using glue/adhesive with a low-emission-level of formaldehyde content that is safe for health of consumers and qualified for interior using in the United States as well as other developed countries.

Since 2019, we've been constantly improving the quality of our Birch plywood, UV-coated plywood, water-resistant plywood, decorative plywood, paper-coated plywood, etc., which are the highest quality in the Vietnamese market.

Currently, our main market is the United States, with products trusted by partners in the manufacturing of kitchen cabinets, furniture, RV and containers.

We are confident by the knowledge in the plywood industry that draws on years of experience as well as learning from friends in the country and foreign experts, AMC Vietnam is a leading supplier in Vietnam, having quality can compete with products from China, Indonesia or Malaysia.

PRODUCT GENERAL DESCRIPTION

Main Products

Birch plywood (*UV coating prefinished and finished cabinet grade*)

Construction Plywood (*Pine, Okoume, Platform Plywood*)

Laminated Plywood (*TFL/Melamine and HPL/Laminate Plywood*)

LVL (*Rubberwood, Acacia, Eucalyptus, Pine Veneer LVL*)

Container Flooring Plywood (*Keruing and Film Face for container Flooring*)

AMC VIETNAM COMPANY LIMITED

Add: Floor 19th, Viwaseen Tower, No. 48 To Huu Str.
Trung Van Ward, Nam Tu Liem Dist., Hanoi, Vietnam.
Tel: (84) 43 628 2225/2226
Fax: (84) 43 628 2224

Web site: www.amcvietnam.com.vn

Common Thickness

5.2mm, 6mm, 12mm, 15mm, 18mm (or 1/4", 1/2", 5/8" and 3/4")

Thickness Tolerance

+/- 0.5mm

Size

Standard 1220 * 2440mm (4' x 8') and 915 * 1830mm.

(For customized size pls request)

Tolerance of length / width / diagonal

+/- 2mm.

Bending tolerance

Below 0.5% per length or width edge

Face/Back Veneer Available

- Natural Veneer: Birch, Pine, Okoume, Bintangore, Styrax, Rubberwood, Eucalyputs, etc
- Engineered Veneer
- Decorative Sliced Veneer: Oak, Walnut, Cherry, Maple, etc
- Laminated paper: TFL/Melamine, HPL/Laminate, Black and Brown Film for construction, etc

Core Material

Vietnam Plantation Hardwood

- Acacia
- Eucalyptus

Density

600kg – 720kg/CBM

Glue

- MR (Moisture resistance)
- Melamine (Water resistance)

(For boiling water resistance pls request)

Emission level

E0 | EPA Carb 2/TSCA T6

Moisture content

Below 12%

Origin

Made in Vietnam by AMC

TECHNICAL SPECIFICATIONS

No.	Testing	Standard	Actual
1.	Hot pressing pressure	12-14kg/cm2	13kg/cm2
2.	Sanding paper grit	Core: P80-120	Core: P80-120
		Face: P240-320	Face: P240-320
3.	In boiling water (for Melamine glue)	No	4-6 hours
4.	Glue bonding/Adhesion of resin	Not Specified	Excellent
5.	Water resistant (for Melamine glue)	Not Specified	Excellent in dipping water
6.	Water absorption	<5%	< 2%
7.	Screw holding strength	Min 180	> 200
8.	Nail holding strength	Min 50	> 55
9.	Static bending strength		
9.1	- MoR Modulus of rupture (N/mm2)		
	+ Across the grain	Min 20	> 20
	+ Along the grain	Min 40	> 40
9.2	- MoE Modulus of elasticity (N/mm2)		
	+ Across the grain	Min 1800	> 2000
	+ Along the grain	Min 4300	> 4500
10.	Termites/Borer/Fungus resistance	Yes	Yes
11.	Formaldehyde Emission level in compliant with EPA Carb Phase 2/ TSCA Title VI	0.05 ppm	0.027-0.04 ppm
