BİZ KİMİZ ?

Çağımızda her geçen gün daha fazla ihtiyaç duyulan sağlık ve hijyen sektörünün gerekliliklerine daha iyi cevap vermek ve geleceğe hazırlanmak için FADSAN Sağlık Ve Hijyen Ürünleri San. Tic. LTD. ŞTİ. uzun fizibilite çalışmalarının ardından dünyadaki en yeni teknolojik gelişmeleri de takip ederek fabrikasını modern yatırımlarla dünya standartlarına uygun hijyen koşullarında “clean room” teknolojisiyle kurulmuştur. En ileri teknolojiye sahip araştırma ve geliştirme ekiplerimiz kapsamlı müşteri içgörülerinden yararlanıyor önde olmalarına ve kullanıcılarının ihtiyaçlarını karşılamalarına destek olabilmemizi sağlıyor. Ar- Ge departmanında ve üretim kadrosunda alanında uzman kimyager ve başarılı mühendisleri bulundurmaktadır. Ürünlerimizin tamamı ISO 22716:2013 GMP, ISO 22716:2013, ISO 14001:2015, ISO 9001:2015, ISO 45001:2018 kalite sistemleri ile üretilmektedir.

Nihai hedefi maksimum tüketici memnuniyeti olan Fadsan Group gelişen teknolojileri takip ederek hijyenik ürünler sektöründe ulusal ve uluslararası müşterilerimizin taleplerini ve beklentilerini de gözeterek kaliteli, yenilikçi ve tüketicinin ihtiyaçları doğrultusunda ürünler üretmektedir.

WHO WE ARE ?

In order to better respond to the requirements of the health and hygiene sector, which is increasingly needed in our age, and to prepare for the future, FADSAN Health and Hygiene Products LLC. After long feasibility studies, following the latest technological developments in the world, its factory was established with “clean room” technology in hygienic conditions in accordance with world standards. Our state-of-the-art research and development teams benefit from comprehensive customer insights, enabling us to help them stay ahead and meet the needs of their users. It employs expert chemists and successful engineers in its R&D department and production staff.

All of our products are produced with ISO 22716: 2013 GMP, ISO 22716: 2013, ISO 14001: 2015, ISO 9001: 2015, ISO 45001: 2018 quality standards.

Fadsan Group, whose ultimate goal is to obtain maximum consumer satisfaction, follows the developing technologies and produces high quality, innovative products in line with the needs of the consumer in the hygienic products sector, taking into account the demands and expectations of our national and international customers.
