PRESIDENT DIRECTOR MESSAGE

CV. INDOTESA SRIWIJAYA

The growing industry creates an increasing demand for raw materials for processed products, especially industrial companies that use raw coconut materials and their derivatives. Indotesa Sriwijaya aims to be a reliable and high-capacity coconut supplier to domestic and international partners.

We have been strongly committed to provide more than our customers expect, in accordance with our motto "committed to providing superior quality to customers". Indotesa Sriwijaya will be a bridge between Indonesia and international customers to meet the needs of industry stakeholders around the world.

To achieve this goal, we have established a human resource management that involves several influential parties to contribute to realizing the ideals of Indotesa Sriwijaya.

Regards,
