Mask**

1 **Washing Your Face**

After getting up in the morning and washing your face, or After removing makeup and washing your face at night.

2 **Gently Pat Face in 1min
Instantly Firm & Youthful**

Gently pat the face with both hands for about 1 minute, the face will appear obvious Tighten and lift the feeling and form a collagen peptide bright film.

3 **No Need to Rinse After Use**

The spray liquid of this product uses collagen peptides and natural plant extracts. The nutrients of the spray liquid are directly absorbed by the skin without washing.

[after using this product, the face is not easy to take off makeup]

When using,
spray the whole face & neck, and then gently pat the face with both hands to make the essence even.

Because natural plant essence extracts are added, please shake well before use.

Immediately
Firming & Brighten

Immediately Firming & Brighten

[Use steps]

1: After washing your face in the morning, spray directly on the face and neck, gently pat the essence evenly.
