## COMPANY PROFILE

**Topwin Medical** produces Surgical Dressings, protective consumables and medical instruments for export. Our major items include Laparotomy Sponges, Gauze Swabs, Non-woven Sponges, Elastic Bandages, Tubular Stockinette, Face masks and all kinds of non-woven disposables.

Our facilities locate in Central China where cotton and non-woven supply is profound with quality. Our office locates in Wuhan who enjoys convenient transportations by air, by railway, by highway and by water channel.

With nearly thirty year experience, Topwin continues to be one of the leading players in Medical Disposables industry. Topwin is CE and ISO13485 approved. That's why we have customers everywhere in Americas, Europe, Asia and Africa.

We are ready to offer you medical dressing and medical instruments of high quality with competitive price as well as best service. We believe with the professional workers, honest sales team, good management, advanced equipment and strict quality control system, we can do better than many competitors home and abroad.

Appreciate your kind attention for a win-win prospect.
