APRESENTATION LETTER

WHO WE ARE

Agricol trading is a wholesale trading company aimed at the areas of agricultural, livestock and fisheries products, especially in the areas of cereals, vegetables, seasonal fruits, meats and seafood.

The company has professionals with extensive experience and a management composed of professionals with proven competence in the field. In addition to our scope, which is wholesale, we also have a large number of customers in the retail sector, such as restaurants, supermarkets, grocery stores, schools and institutions and individuals.

We guarantee the satisfaction of our customers' orders between 12 to 48 hours after the order.

LOCALIZATION

We are headquartered in the Vila Nova district, in the city of Chimoio, Manica province, and we have a branch in the district of Boane, in the province of Maputo.

OUR SERVICES

We supply various types of food products, mostly agricultural, livestock and fishing items. Our company strives for quality, greater competitive capacity; better customer management; agility and efficiency in delivery processes.

DISTRIBUTION AREA

Our national market niche covers the entire central area, Maputo province and the city. And at the regional level, we distribute our products to Congo, Eswatini, Malawi, Mauritius, Zambia and Zimbabwe.

OBJECTIVES

Our objective is to bring solutions in the supply and commercialization of products to the wholesale of the agricultural, livestock and fisheries sector in the national and international market, seeking to help the our customers to achieve their business goals.

MISSION

To offer the market the best solutions in sales and delivery services for agricultural, livestock and fisheries products, continuously adding value to our activities, based on ethical commitment to our customers and employees.

EYESIGHT

To be a reference company in the market in the supply of agricultural, livestock and fisheries to our customers based on recognition for quality and excellence in the services provided.

VALUES
