Tvff support products are designed for comfort and fit combined with an outstanding appearance.

- USAGE:**

 - Designed to provide firm and comfortable support
 - Helps relieve tired, aching muscles and joints
 - Reversible for right or left part

CAUTION:

The design of this quality Tvff support reaches out and embraces the weak and sore muscles, supporting like a firm, invisible hand. Not only does this product offer firm support, its design permits movement without slipping or rolling. It is easily reversible for left or right part. Available only from Tvff.
