Products

Dulux Colors

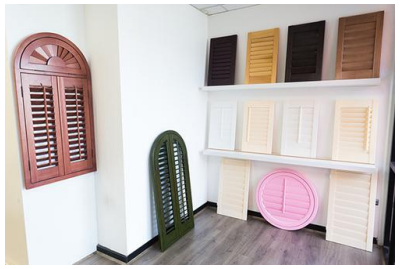

- The colors are available in popular Dulux colors, and can also be customized according to customer requirements.
- Here at IVY Classic Plantation Shutters, we have a variety of plantation shutters options that add value to your home decor, including PVC plantation shutters and Basswood plantation shutters.

Products

Super View PVC Shutters

- Made of High-Tech Polymers, with an Aluminium Core for adding strength.Super View Shutters do not warp, crack or split like wooden shutters. With a complete clearview tilt rod, Super View Shutters will bring you unobstructed view.

Products

INFRARED DRYING TECHNOLOGY

IVY shutters use infrared drying machine for PVC shutters’ painting, which is more advanced than steam drying one. It can avoid deficient internal drying issues effectively and prevent the paint from chip and peal.

SUPER CLEARVIEW

IVY shutters have a real clearview functionality by using a completely hidden tilt rod, which can realize the blades to rotate and give a clear 180° unobstructed view.
