

MATERIAL SAFETY DATA SHEET

PRODUCT NAME AND COMPANY IDENTIFICATION

Product Name Organic Prickly Pear Seed Oil

INCI Name Opuntia Ficus Indica (Prickly Pear) Seed Oil

Product Use Personal Care Formulations

Country of Origin Morocco

Manufacturer/SupplierNOW SustainabilityCompany AddressTidzi, Essaouira, Morocco

Contact Number +212668781663

COMPOSITION/INGREDIENT INFORMATION

IngredientsVegetable Oil Triglycerides100%Hazardous ComponentsNoneNone

CAS Number 90082-21-6

HAZARD(S) IDENTIFICATION

Classification of the substance or mixture:

Not classed as a hazardous substance

LABEL ELEMENTS

GHS label elements Not regulated

Hazard pictograms None
Signal word None
Hazard statements None
Precautionary statements None

Other hazards There are no other hazards not otherwise classified that have been identified.

not induce vomiting. Never induce vomiting or give dilutents (milk or water) to someone who is unconscious, having convulsions, or who cannot swallow. Seek medical advice. Take a copy of the label and/or SDS with the

victim to the health professional.

Most important symptoms and effects, Product known to irritate eyes and respiratory system.

both acute and delayed

Indication of any immediate medical attention and special treatment

None

needed

FIRE FIGHTING MEASURES

Suitable Extinguishers Carbon dioxide (CO2), Dry Chemical Powder, Foam.

Unsuitable Extinguishers Media Water Spray, Water Jet
Unusual Fire & Explosion Hazards Keep free of ignition sources

Special Fire Fighting Procedures

Limit the spread of oil. Treat as an oil (edible fat) fire.

Use air supplied equipment for fighting interior fires.

Protective Equipment Wear self-contained respiratory protective device. Wear fully protective suit.

ACCIDENTAL RELEASE MEASURES

Personal Precautions Ensure adequate ventilation. For large spills, wear protective.

Environmental precautions Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

Methods for Cleaning Up Wipe up small spills with paper towel and discard. For larger spills, add sawdust, chalk or other inert binding

material, then sweep up and discard.

HANDLING STORAGE

Precautions for safe handling Open and handle receptacle with care. Keep out of reach of children.

Conditions for safe storage, including any incompatibilities

Requirements to be met byStore in a cool, dry location, in a sealed container in a well ventilated area.

storerooms and receptacles

Information about storage in oneStore away from oxidizing agents. Store away from foodstuffs.

common storage facility

EXPOSURE CONTROL/PERSONAL PROTECTION

EyeSafety glasses should be worn.Skin/BodyLab coats and gloves should be worn.RespiratoryNot needed under normal conditions of use.

Ventilation Handle in well ventilated areas.

Other Evaluate need based on application. Slip proof shoes may be worn where spills may occur.

Work/Hygiene Practice Normal work and hygiene practices for handling non-hazardousliquid material.

CHEMICAL AND CHEMICAL-PHYSICAL SPECIFICATIONS

Physical State Liquid

Color Clear, Yellow to Green

Odor Characteristics

Appearance Liquid at room temperature

Solubility in water Insoluble
Solubility in solvent Insoluble
Evaporation rate N/A
Flash point >200°C

STABILITY AND REACTIVITY

The product is stable under normal storage conditions.

Incompatibility (Materials to Avoid) Avoid flames and strong oxidizers.

Hazardous Polymerization Will not occur

TOXILOGICAL INFORMATION

Signs and Symptoms of ExposureNoneToxicity DataNon ToxicMedical Conditions GenerallyNone

Aggravated by Exposure

products

ECOLOGICAL INFORMATION

Ecological Information No ecological hazards are associated with this product.

Biodegradability Completely biodegradable but rich in BDO

Precautions Prevent surface contamination of soil, ground and surface water.

DISPOSAL METHODS

Material is not considered hazardous under federal regulations. Do not put into sewer lines. Dispose of according to local, state and federal regulations.

TRANSPORT INFORMATION

DOT Classification Not regulated
Ship IMDG Not regulated
Airplane transport IATA Not regulated

NOW SUSTAINABILITY

REGULATORY INFORMATION

Safety, health and environmental regulations/legislation specific for the substance or mixture

No additional data available.

Chemical safety assessment

No additional data available.

ADDITIONAL INFORMATION

This information is provided for documentation purposes only.

This product is not considered hazardous.

The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user.

This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers.
