SHANDONG 266200 CHINA

This is to certify that MARKING AND LABELING SYSTEMS
representative samples of Pressure-sensitive Marking and labeling System "BFTTL-001"

Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate

Standard(s) for Safety: UL 969-Standard for Marking and Labeling Systems

Additional Information: See the UL Online Certifications Directory at www.ul.com/database for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL'S Certification and Follow-Up Service

Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. the final acceptance of the component is dependant upon its installation and use in complete equipment submitted to UL LLC.

Look for the UL Certification Mark on the product.

Bruce Mahrenholz, director North American Certification Program
